Section 1 – Overview & Underwriting Criteria

This Product Eligibility Policy outlines the parameter requirements for residential mortgage loans submitted to Orion Lending. This document is an integral part of the loan underwriting review process and should be reviewed in conjunction with all potential fundings.

All loans will be examined and evaluated to determine whether the proposed loans generally conform to these guideline parameters. The qualifying specifications and procedures are meant to serve as a principal foundation to qualify, and each borrower will be reviewed in its entirety on an individual basis.

Edge Plus loans that do not conform to the provisions of this Product Eligibility Policy will be comprehensively reviewed on a case-by-case basis. All applicable mitigating and compensating factors to a policy exception must be fully documented prior to considerations/granting of said exception.

Section 2 - Underwriting Criteria

Overlays and appendix are intended to reference and supplement Fannie Mae's Seller Guide. Refer to the Fannie Mae Seller Guide for specific information concerning qualification requirements that are not specifically referenced in the product overlays or appendix. To the extent there is a difference in standards between these overlays and the Fannie Mae Guides; these overlays will take precedence.

All loans must be manually underwritten.

All Covered Loans must be designated as ATR compliant and must adhere to the standards set forth in the CFPB's Reg Z, Section 1026.43(c).

Additional HPML requirements are described herein including mandatory escrows for 5 years

Federal, State, and Local High Cost Loans are not permitted.

Statement on Suitability

All loans are required to have evidence of agency ineligibility.

9.3.2 Business Bank Statements

Documentation Requirements:

- 12 or 24 months business bank statements required
- Bank statements must be most recent available at time of application and must be consecutive
- Transaction history printouts are not acceptable.
- Multiple bank accounts may be used

Documentation Analysis:

- Transfers from other bank accounts into the business bank accounts will require conclusive evidence that the source of transfer is business related income
- Unusually large deposits exceeding 50% of monthly income (as defined by Fannie Mae) into bank accounts must be explained via LOE, and must be consistent with the business profile. If LOE is sufficient, no sourcing required.
- Declining Income may require an LOE
- NSF's may require a borrower LOE documenting they are not due to financial mishandling or insufficient income
- NSF's should be covered with deposits shortly after they are incurred.
- Expense line items that can be added back to the business net income include depreciation, depletion, amortization, casualty losses, and other losses or expenses that are not consistent and recurring

Business Requirements:

- Borrowers who own more than 3 businesses must use personal bank statement option
- Validation of a minimum of 2 years existence of the business from one of the following: Business License, Letter from Tax Preparer, Secretary of State Filing or equivalent
- Ownership percentage must be documented via CPA letter, Operating Agreement, or equivalent
- Borrowers utilizing business bank statements that own ≥ 50% but ≤ 100% of a business will be qualified at the net income multiplied by their ownership percentage
- Borrower paid 1099 paid by a single company are not eligible for the bank statement program
 - Exceptions considered for Real Estate professionals. Contact scenarios@orionlending.com

Qualification for business bank statement loans must use one of the following options:

Option # 1 - Fixed expense ratio

- Restrictions: maximum 75% LTV and minimum 680 FICO
- If the expense ratio is not applicable for the borrower's business utilizing the fixed method above, the borrower may have the option of using a P&L or ES to qualify.

Fixed Expense Ratio			
Number of FTE/Contractors	0	1-5	5+
Service Business	20%	40%	60%
Product Business	40%	60%	80%

Service Business Examples – Consulting, Accounting, Legal, Counseling, Therapy, Financial Planning, Insurance, Information Technology, etc.

Product Business Examples – Retail, Food Services/Restaurant, Manufacturing, Contracting/Construction etc.

9.3.2 Business Bank Statements
(continued)

Option # 2 - Bank Statement Profit & Loss Statement ("P&L") or Earnings Summary ("ES")

- Must be signed by the borrower, unless borrower provided a CPA prepared P&L
- The P&L/ES should generally cover the same calendar months as the bank statements provided (within ~3 months)
- Eligible deposits from the bank statements should generally be within +/- 10% of the gross as shown on the P&L/ES
- Any amounts on the P&L/ES representing salary/wages paid to the borrower/business owner can be added back and considered in the net income analysis
- Borrower is required to provide separate P&Ls or ES for each business being used in qualifying
- Edge Bank Statement Calculator can be used for guidance with P&L/ES Overlay guidance
- If the file does not contain a CPA prepared P&L, steps must be taken by the underwriter to evaluate the reasonableness of the expenses listed by the borrower. This requires the seller/borrower or CPA to provide a business narrative which includes detail related to the size/scope and operating profile of the business, including the following:
 - Description of Business/Business Profile
 - Location & Associated Rent
 - Number of Employees/Contractors
 - Estimated Cost of Goods Sold (Does business involve sale of goods or just services?)
 - Materials/Trucks/Equipment
 - Commercial or Retail client base
 - Expenses listed on a borrower prepared P&L/ES should generally relate to the information provided above

The expense ratio should be reasonable for the profession, for both qualifying methods.

- Example: A home-based sole practitioner consultant can be expected to have a low expense ratio, while a retail business that has a full staff of employees, fleet of vehicles, and relies heavily on inventory to generate income will have a high expense ratio

Qualifying Income:

- For business bank statement documentation, it is the lower of the following:
 - Monthly net income as calculated above (fixed or P&L/ES)
 - Monthly income disclosed on the initial signed 1003

Section 9.4 – Supplemental Income Source Requirements for Bank Statements

Income**

- **Work History**
 - Employment is considered stable if the borrower has a 2 year work history in the same job or field. Written analysis may be provided justifying less than 2 years. A minimum of 6 months of employment is required unless recently graduated from school or completion of formal training.
- **Employment Gaps**
 - Borrower should explain any employment gaps exceeding 30 days in the last 12 months and 60 days in the last 13-24 months.
- **Recently transitioned W-2 to 1099**
 - Borrowers recently transitioned from W2 to 1099 and contracted by the same employer in the same position do not require 2 years 1099s if the lender provides documentation the borrower will not be responsible for additional expenses, i.e. contract.
 - Borrowers who remained in the same industry, but transitioned from W2 to 1099 with a different company must be in current position for at least 1 year.
- **Ancillary Non Employment Income – Continuance**
 - Borrowers of retirement age do not require proof of continuance if income received from corporate, government or military retirement or pension.
 - Alimony, child support require proof of 3 or 5 year continuance (5 years if income source is > 50% of loans total qualifying income). Please note this overlay to Fannie Mae.
 - IRA/Discretionary Retirement Account Distributions – Continuance
 - IRA distributions cannot be set up post application date unless the borrower is required to start withdrawing based on age. In such cases, 125% of the required minimum amount can be used to qualify.
 - Distributions must have been received for prior 6 months to application to be considered as eligible income. Distributions that have been received for 6 months or more can be adjusted with a letter from the plan administrator validating the increase. Allowable increases of distribution amount are limited to 125% of previously received distributions. Continuance for 5 years at the proposed monthly amount is required if distributions represent > 50% of the loans total qualifying income (please note this overlay to Fannie Mae). Please refer to Asset Utilization for borrowers wishing to draw assets to qualify.
 - One of the following types of income documentation is required:
 - Copy of award letter or letters from the organizations providing the income
 - Most recent personal income tax return with all schedules
 - Most recent W2 or 1099
 - Most recent 2 months bank statements showing deposit of funds
- **Restricted Stock (RSUs)**
 - Orion Lending will only consider restricted stock that was awarded in prior 2 years and became unrestricted (vested) in the current year. The Vesting Schedule must indicate the income will continue for a minimum of 3 years at a similar level to the prior 2 years. Continuance is based on the vesting schedule using a stock price based on the 52 week low for the most recent 12 months reporting at the time of closing. A 2 year average of prior income received the RSU's or stock option will be used.
 - The following documentation is required: copy of the vesting schedule, most recent W2 and pay stub.
 - Private Stock not eligible.
- **Rental Income**
 - Reported on tax returns:
 - Must document proof current ownership
 - Schedule E net income should be used (FNMA)
 - Not reported on tax returns: (only if rental was acquired since last tax filing)
 - Must document proof of 100% ownership
 - If lease is not available, market rent must be obtained
 - Lease or market rent must be reduced by a vacancy/expense factor of 25%
